PROFILE

Solution-driven web developer adept at contributing to a highly collaborative work environment, with a focus on finding solutions and ensuring customer satisfaction. With over 10 years of experience, I have built products for desktop and web applications that meet the highest standards in web design, user experience, best practices, and speed. I possess a strong attention to detail, well-developed time management skills, and the ability to complete projects on schedule and in a timely manner.

WORK EXPERIENCE

Full Stack Web Developer
Vesta Wealth Partners (Oct 2020 – Present)

- Developed custom portals for the company, enhancing workflow efficiency through advanced data analysis and integrated permission settings for individual users. Utilized Pandas for data manipulation, enabling the generation of tailored reports to meet team requirements.
- Integrated with various third-party software solutions to streamline processes and improve data accuracy, facilitating seamless data exchange and operational coherence.
- Implemented secure document sharing via a protected online storage solution and streamlined new client onboarding with an easy-to-use form completion portal.

Technology: Python & Pandas & Django & DRF & PostgreSQL & Docker & AWS & S3 Bucket & D3 & Bitbucket & Git

Full Stack Developer
Self-employed (Jan 2020 – Oct 2020)

- Developed a web application for restaurants, enabling customers to scan the menu and order their food. See the **video** for a demonstration.
- Developed a web application for individual gold retailers to facilitate trading gold from their wholesalers, supporting over 1,000+ transactions daily. See the **video** for a demonstration.

Technology: Python & Django & DRF & PostgreSQL & Redis & Vue.js

Web Developer
Zarrin, Tehran, Iran (Mar 2014 – Jan 2020)

- Developed an e-commerce web application and a customer web portal. **link**
- Launched a website for a local charity.
- Created and managed a service for selling goods within the local network.

Technology: PHP & MySQL & HTML & CSS & JavaScript & jQuery & D3 Graph & Bootstrap & OOP & Git

EDUCATION

Azad University
June 2014
Bachelor of Computer Engineering

CHARACTERISTICS

- Creativity & Hard worker
- Excellent listener
- Problem-Solving Abilities
